S. I SHAW, PROPRIETOR.

A New Comer

For the City Shoeing Shop. Now BRING ON YOUR BAD Cases of contracted hoofs inter-fering corns and quarter cracked horses and those that play the anvil chorus as they patiently jog along, bring also some of those who can hardly walk with-out crutches and you will soon have them on their pins like colts. If your horse can't trot fast let the boys turn a speedy shoe and you will have the boss of the road. The new comer, Mr. J. W. McDONALD, is a practical horse shoer, having owned a large business for the past five years in San Francisco at 209 Ellis street, also 116 Washington street, and now proposes to locate right here, and show the owners of horses what he can do. He certainly proves worthy of his many recommendations.

Don't Forget the Soaking Stalls,

As they are indispensable in the aid to cure corns, quarter cracked and crippled
